

In The Name Of Allah, Most Gracious, Most Merciful

#### Political Bureau to Iraq Resistance

Thanks be to God, peace and blessing upon his Prophet Muhammad the hoister to the brigade of thanks, and upon his companions and his family the first and the honorable, (Ye who believe ! fear Allah as he should be feared , and die not except in a state of Islam) Al-Imran 3-102 – (And hold fast, all together, by the rope which Allah (Stretches out of you) and be not divided among yourselves ; and remember with gratitude Allah’s favour on you; for ye were enemies and he joined your hearts in love. So that by the grace, ye became brethren; and ye were on the brink of the pit of fire, and He Saved you from it, Thus doth Allah make His Signs clear of you: That ye may be guided) Al-Imran 3-103.

Iraq, the land of history, the source civilization, the safe home for prophets and scholars, and from where we began many Islamic conquests that did carry to the world the light of Islam and the straight and just, and from the heart of this land we have seen the rays of sciences, which have affected many schools since the beginning of time. The world will never forget the day of Baghdad, the days she was towering and welcoming people from across the nations to learn and teach their people and countries.

This country with it’s roots reaches to the depth of history despite any conspiracy or difficulties from any type or shapes, plot after plot and war after war ignited by westerner or easterner whose heart was eaten by spite or egos.

Since the spring of 2003 our beloved country has faced a great attack. They have gathered all forces of evils to destroy our foundations and infrastructures, to steal our fortunes and wealth and to shred and tear up our tribes and to plant a division among us by creating a fight between our citizens.

Since the first days of the occupation, heroes have protected our land, religion and our honor, stopping the criminals and our enemies. We will not stop the march and the journey, relying upon only our faith, to remove any shred of the occupation and their effects, if God is willing. This blessed foot steps between and among all the Jihadi battalions through cooperation and organizations fielding a combined effort in the devotion and fear of God, starting by the first step of meeting in Baghdad Al Rashid (22<sup>nd</sup> of Sha’aban 1428 H and equal to 9-4-2007).

We are the Mujahedeen’s battalions consisting of:

1. The Jihad and Reformations Front consisting of four platoons:
  - a. Islamic Army of Iraq.
  - b. Mujahedeen Army.
  - c. Ansar Al Sunn’ah group- Legitimacy Corps.
  - d. Jaysh Al Fatheen

2. The Islamic Front of Iraqi Resistance (Include) Salah Al Deen battalion.
3. Islamic Resistance Movements ( Hamas – Al Iraq)

And we have agreed on creating (The Political Bureau for the Iraq Resistance) as the legal guardians to the people of Iraq. Our assembly will introduce our political program for the freedom of Iraq as follow.

### **Political Program for the Freedom of Iraq**

1. Occupation of Iraq is nothing but oppression and aggression, and resistance to the occupier is our legal right according to Islamic Sharia and laws.
2. Armed resistance and the partnership with any other cadre or staff are the legal representatives to Iraq, who will carry the leadership of the Iraqi people to achieve their hopes.
3. Liberation of Iraq from any foreign occupiers to achieve full independence, in addition to obligating the occupiers to pay for any financial or emotional damage they have caused.
4. Any military resistance missions are only against the occupiers and not against the poor and the innocent, whom are supported by our Mujahedeens to remove any oppression that might face them.
5. Refusal to any idea to change the assembly of our Iraqi people and citizens, and not to divide our people along certain sections, or change the administrative borders for our provinces. We have to work together dispelling any idea for the division of Iraq, working on the unification of Iraqi peoples and lands. But in reference to the Kurdish, special situations must be addressed, but after the liberation.
6. Return all those who were displaced to their home and lands and compensate them for any suffering they might have faced, financially or emotionally.
7. The constitutions are illegal; null and void under the occupier.
8. All laws or judgments must be voided, in addition release all prisoners and compensate them.
9. Any treaties, agreements issued under the occupier are not recognized due to their contradictions with the rights and sovereignty of Iraq.
10. Forming temporary government from a collection of professionals, this government will not have any right to sign any agreements or treaties.
11. Work together to build Iraq according to justice, on the bases of Iraq for all Iraqi's, Justice and fairness will be our target, we will not allow any person to take advantage of his position or power toward a sector or type but according to justice which was ordered to us by God and will only secure the salvation and the stability of Iraq.
12. Iraq is a part of the Islamic and Arabic world and will not be divided from it. In addition, as one of our top priorities we will work together on establishing Iraq as an Islamic and Arabic country.
13. Protect the wealth of Iraq: especially the oil and water. They are belong to and owned by all Iraqis.
14. Invite all Arab and Muslims and the rest of the world to do their duties towards the people of Iraq in order to achieve our hopes. Create a quality relationship among the rest of the world on the foundations of mutual benefits. Additionally, work together with all International organizations according to what will benefit Iraq.

At the end - the political project, not in lieu of the Jihadi project, but a servant and completion to it. Our battalions pledge to God to continue on the road of Jihad and to do every thing in our power to please God the almighty and to achieve the target of jihad.

God united our heart, our gathering and our words and make us victorious not defeated....

At the end we thank God of all creations, and his prophet Muhammad and his family and all of his companions.
